#3655—Call to Order

Mrs. Lipsett called the meeting to order at 6:26PM

#3656 – Delegate

Marcus Schneider, representing the “Park Committee” attended the meeting to outline to the Board of Trustees the opinion of D. John Goundrey (Alexander Holburn Beaudin + Lang LLP) lawyer hired to study options for the Park if SEID is converted to the regional district. Mr. Goundrey presented two options

1/ Amend the Letters Patent eliminating the existing reference to waterworks, with the result that the objects of SEID would be limited to “the acquisition, maintenance and operations of parks, and all things incidental thereto”, thus transferring to the RDOS the obligations of SEID with respect to the waterworks

2/ After Letters Patent are amended lease or license the use of the existing park to an incorporated society

After careful consideration it was decided neither option is a guarantee, with unknowns as to timeframe and possibility that the park would have a dollar value

Mr. Schneider left the meeting

Motion: Mrs. Lipsett moved, seconded by Mr. Tribbeck motion carried that the Park, with all other assets of SEID will be transferred to the RDOS, if SEID is converted to the RDOS.
